

**COVID-19 Prevention Guidelines and Recommendations for teams
for the FIS Freeski World Cup Stubai 2021
Update from 13th August 2021**

Due to the COVID-19 pandemic, the **FIS Freeski World Cup Stubai organised from 17th and 20th November 2021** has to take place under tight security measures due to the continuing COVID-19 pandemic. Based on the current regulations published by the Austrian Federal Ministry of Health and further measures taken by FIS and the Austria Ski Veranstellungen GmbH, as the organisers of the event, we would like to present the following catalogue of measures to all teams published on 13th August 2021. We kindly ask you to forward this information to all team members (athletes, coaches, staff, NSA officials etc.) and FIS officials/employees registering for the event via the FIS platform. By registering for this event, each team member and every FIS official/employee fully confirms and accepts the content of this catalogue of measures for the above-mentioned event.

Important information:

- Take responsibility for your own actions.
- Follow hygiene measures (regularly wash your hands and disinfect)
- Show proof of negative PCR test not older than 72 hours or recovery from COVID-19 (max. 6 months).
- Contact data collection for each team for contact tracing
- Answer the health questions.
- Wear a face mask whenever the distance of 2 metres cannot be respected and/or in all closed rooms.
- **COVID hotline during the event: +43 664 81 52 980**

As the organisers of the event, we are obliged to limit the number of accredited people due to the COVID-19 situation. Therefore, only team officials are granted access to team and sports relevant areas, in line with the respective FIS Entry system. People outside the applicable FIS Entry system are not allowed to enter the above-mentioned areas!

Entry regulations for Austria

With the current entry regulations, arrival in Austria is possible from countries with low infection rates. All travellers need to show a negative COVID test or proof of vaccination/past infection (so-called "3-G rule"). People arriving from states with a high infection rate, or having stayed there within the past 10 days, have to meet separate regulations (registration upon entry, PCR test, possible quarantine). **Latest information on arrival in Austria is available at:** <https://www.sozialministerium.at/Informationen-zum-Coronavirus/Coronavirus---Aktuelle-Ma%C3%9Fnahmen.html>. **Please be sure to check your home country's travel regulations prior to your arrival in Austria.**

Arrival in Stubai

- Do not arrive at the venue when showing COVID-19 symptoms.
- Avoid stops between your place of departure and the event location.
- Avoid contact with other people, especially outside your team.

COVID test checks/health questions/contact tracing

- Every team member officially named by the respective national ski association via the FIS online system and FIS officials/employees are obliged to present a **negative PCR test not older than 72 hours** upon accreditation. The PCR test presented needs to be recognised by the health authority of the respective country! For all PCR tests it is necessary to indicate the time of taking the sample and the name.

- **The corresponding test protocol needs to be uploaded to the FIS Passport platform at least 12 hours prior to collecting accreditation.** If you don't have the opportunity to take a PCR test prior to your arrival in Austria, you will find a list of laboratories offering PCR tests in Austria in Appendix 1 (please check for opening hours, evaluation times, costs, etc.). In case of inconclusive PCR test results, the LOC reserves the right to ask you to take a new test.
- People who have had a **positive PCR test in the past 6 months need to upload this test to the FIS Passport and do not need a new PCR test** in order to take part in the event. **People with a positive PCR test for the first time within the last 2 weeks prior to arrival are not allowed to participate in the event!**
- Together with the test protocols and for possible contact tracing, you need to name at least one contact person (team captain or team doctor) including contact details (name, mobile phone number, email address) - please provide this information via the FIS Online Entry System.
- **Furthermore, it is necessary to fill in the health questionnaire via the FIS Passport prior to collecting the accreditation and then daily for the duration of the event.**

Accreditation/race office

- Only after presentation, examination and documentation of the above-mentioned documents (PCR test or proof of past infection/ health questionnaire, contact person) will the accreditations be handed over to the team captain or a person appointed in advance. The team members will then also receive the keys to their rooms.
- Only the team captain or **one** representative of the team is allowed to collect all accreditations for the entire team.

Hotel

- You are required to show a negative COVID test or proof of vaccination/past infection in all hotels and restaurants!
- Check-in for all team members via team captain.
- Further hygiene measures may be displayed at the hotel.

Transport from accommodation to venue

- Please use team buses or vehicles as means of transport if possible.
- In exceptional cases, shuttles will be provided by the LOC.
- Only use the parking spaces allocated and marked for teams (red parking). Only people accredited for the red zone are allowed in the vehicle upon admission to the parking area.

Venue

- **Daily health check:** Prior to every training session and competition, every team member must fill in the health check via the FIS Passport. **This is mandatory for all team members!**
- Maintain the minimum distance!
- Only stay in allocated and marked zones for teams (red zone).
- The team zone (red zone) is locked and can only be accessed by respectively accredited persons.
- Avoid direct contact with other teams.
- Avoid direct contact with members of the press.
- Please adhere to legal requirements by wearing a face mask at the venue.

COVID-19 symptoms and communication

- **Single Point of Contact +43 664 81 52 980**
- In case of a team member not feeling well or showing COVID-19 symptoms, please inform the LOC immediately by calling the Single Point of Contact.
- This number can be reached 24 hours a day from the official day of arrival until the official day of departure.
- The LOC will employ measures set out to deal with suspected cases of COVID-19.
- There is an isolation room provided in close proximity to the venue in case you show symptoms.
- Any communication related to COVID-19 has to be coordinated with the FIS and the LOC (see FIS COVID communication guidelines).
- **COVID-19 suspected case management:** If there is a suspected case of COVID-19, please contact the SPOC. There will be a team from the Austrian Red Cross on site organising further procedures including isolation and contacting the authorities (the district commission of Innsbruck Land). Appropriate rooms will be available if isolation is necessary. In case of a positive test result, the authorities will decide on possible quarantine of further people in the surroundings (e.g. team members). **Isolation is imposed exclusively by the responsible health authority.**

Leisure activities during your stay in Stubai

- During all leisure activities, please respect COVID-19 measures such as maintaining physical distance, 3G, wearing a face mask, hygiene and avoiding contact.
- Restrict your leisure activities to necessary purchases and tasks that cannot be postponed.
- Spend your free time only with members of your team or your small group.

In order to minimise the risk of infection, the LOC makes the following recommendations:

- Form small groups.
- Avoid contact with other teams.
- Avoid contact with staff members of the LOC.
- Avoid contact with tourists/fans.
- Wear a face mask and maintain the minimum distance between yourself and journalists during interviews.
- Regularly wash your hands and disinfect.
- Document your health and any changes to your health.

We ask EVERYONE, to TAKE RESPONSIBILITY and comply with all the measures and recommendations listed above! There will be stewards in place to check and enforce the COVID-19 guidelines. Please follow the instructions of the staff for your own safety and the safety of others.

In case of violation or non-compliance with the COVID-19 guidelines, we reserve the right to exclude you from the event and take legal action.

The measures were determined in accordance with the current regulations, last updated on 13th August 2021. The organiser reserves the right to make necessary changes, which may be imposed immediately.

The privacy policy of the organiser applies (only available in German) – available at <https://www.oesv.at/datenschutz>.

Appendix 1: Locations for PCR tests in Austria

- **Latest information and locations for testing in Austria is available at <https://oesterreich-testet.at/#/landingPage>**
- NOTE: It is necessary to show a PCR test from a recognised laboratory for the event! Therefore, we would like to name the following laboratories:
 - **Novogenia Lab in Salzburg/Eugendorf:** Certified PCR tests possible upon prior arrangement with the Novogenia Lab – Contact via email at service@novogenia.com.
 - **LAB Truck Innsbruck:** Teams in need of testing by the LAB truck can register online at digital.test-mobil.com. For further information call the LAB Truck Hotline on +43 720 906700 60 or send an email to service@test-mobil.com.
 - **Tyrolpath Laboratory Dr. Obrist in Zams:** Certified PCR tests possible upon prior arrangement directly with the laboratory via email at office@tyrolpath.at.
 - **SINSOMA Laboratory in Innsbruck:** Certified PCR tests possible upon prior arrangement directly with Corinna Wallinger via email at corinna.wallinger@sinsoma.com.
