

COVID-19 Protocol and Actions during FIS GP Wisła 2021

GENERAL – LOC and Polish Regulation

Current situation in Poland is stable. Local health authorities are addressing the following information:

Use protection mask in all closed public areas

Clean hands and use hygienic liquids

Keep social distance min.1,5m

No quarantine for athletes, coaches, doctors and all involved people and no needs to present a Covid-19 test at the entrance in the Poland – on teams request LOC can provide test from private company paid by team/NSA.

When entering to Poland have printed out invitation and entry with names.

Official letters with confirmation of taking part in international competition as the basis to enter Poland without quarantine will be send out to the teams and officials – it is **mandatory** to have it when entering to Poland.

LOC Wisla will ask to all participants to sign a declaration regarding Covid-19 at the delivery of accreditation.

During planning travel to Poland keep in mind restrictions in other country on your way.

RESTRICTIONS IN MOVING AROUND

Minimum distance between people who are not living together is 1.5m

Face covering (mouth and nose) is mandatory in public areas like shops, petrol station, public transportation and hotel. No need of face covering (mouth and nose) in the open space or private car.

HOTEL – all teams and officials accommodated in Gołębiewski Hotel

All teams and officials accommodated in Hotel Gołębiewski by LOC will be placed on the same floor – we recommend to use stairs and avoid risk in the lift.

In Hotel Gołębiewski use dedicated check-in line at hotel front desk.

Wear protection mask in public areas like lift, halls, restaurant buffet

floors dedicated for FIS GP reservations

Dedicated meals area – separated room '02' on the 1st floor beginning from dinner on 15th July

meal buffet will be prepare in dedicated area, gloves will be provided to take the food

water in bottles

dedicated check-in area at the front desk in the Hotel. Team' Captain or representatives can do check-in for all team while others are waiting in the front of the hotel or in the cars.

Isolation room booked in the hotel – in case of any symptoms immediately separation of suspects.

TRAVEL FROM HOTEL TO VENUE AND BACK

Use own vehicles

Do not stop until the park area in the venue/at the hotel

Parking area for teams and officials will be located next to the changing rooms inside closed area.

VENUE

Use direct access from parking area to athletes' compound

Athletes' compound will be fenced (no contact with external people). Access to the area from Wisla direction only with accreditations and by cars with permissions.

Only packed food in the catering area

Mandatory use of mask in situation where 1,5m distance can not be keep (waiting room at the start, coach platform)

Use of lift limited to 1 person

WARM ROOM AT START

Additional space at start tower : waiting room in cafeteria and on the way to start.

Limited number of athletes in the permanent waiting room

Only single use drinks and snacks

EQUIPMENT CONTROL AT START

Cleaning of box before every round

Equipment controller and LOC helpers wear mask

COACH PLATFORM

Coaches must wear mask and keep social distance in coach platform

EXIT GATE

Keep social distance

No Team Staff is allowed to stay (only to leave the bags)

Only Team Staff will deliver athletes' bag – no local volunteers will be used

EQUIPMENT CONTROL AT EXIT GATE

Only equipment controller + 1 assistant + 1 athlete are allowed to enter in the equipment area

MIXED ZONE

TV/Radio/Press at social distance

Media people wear mask

TCM

TCM (Pdf version) PPT Presentation for Teams

TCM will be held in a meeting room with one member per team and social distance in the room.

COVID-19 ACTION

Isolation room will be prepared in the hotel and at the hill. If any symptom of illness will be noticed immediately separation of suspect will be done. Next steps will be taken under consideration based of information from Medical and Hygiene Authority.

One prepared Ambulance will be used in case of need of transportation for suspect.

All actions needs to be taken in case of suspect will be discuss and decided between LOC Medical Advisor and FIS Officials.

COVID-19 PROTOCOL – BASED ON FIS REGULATIONS

BEFORE ARRIVAL

Proof of PCR negative test result within 72 hours prior arrival, respectively prior accreditation or proof of positive PCR test between 6 month and 2 weeks prior to arrival and free of symptoms (at least 3 days); **upload to the FIS Passport system**

Every person who wishes to access a FIS World Cup Event must have and present a negative Covid-19 RT-PCR Test (saliva/swab test) result carried out prior to arrival/accreditation (72 hours) and complete a Health Questionnaire

ON SITE TESTING

Please be advised that NEGATIVE PCR Test is required. The fully vaccinated people as well need to present NEGATIVE PCR Test.

Protection mask need to be used all the time : no need only during warm up – keep the distance – and right before the start after passing the equipment control box

All statement regarding COVID-19 situation needs to be approved by FIS Officials and LOC.

VACCINATION

Until more knowledge of transmission of Covid-19 in vaccinated individuals and from vaccinated individuals, the FIS Experts are very clear that all precautions – systematic prearrival testing and onsite testing strategies, consequent wearing of masks, keeping distance to others, avoiding closed rooms and appropriate hygiene measures such as hand-washing - must be maintained by vaccinated as well as non-vaccinated individuals.
