### Team Invitation

#### FIS Slopestyle & Rail at SnowWorld Landgraaf 1 - 6 October 2024

##### 1. General information

The FIS competition Freeski Slopestyle and Rail in SnowWorld Landgraaf will be held in the existing, but very recently renewed and well-maintained park. Having these competitions in a limited event area may call for an adjusted format.

SnowWorld Landgraaf offers perfect conditions to start the season, as teams are welcome in the hotel gym (free of charge for hotel guests) in the same facility and numerous outdoor activities can be planned for extra training.

Training will be planned in heats, so each team will have a designated training time on the training days. The OC will, if the snow quality allows it, make sure there are several rails and jib features available outside of these training times.

After the FIS Slopestyle events on 3 and 4 October and the Rail event on 5 October, on 6 October a Freestyle Tour SS event, organized by ShredMasters will take place. This event is open for all athletes with a FIS, NED or BEL license.

##### 2. Entries and important forms

Entries will be accepted from National Snowsport Associations in accordance with the FIS quotas and rules. Please complete the enclosed Team Entry form and remit to the Organizing Committee by email.
